

# Session 1:

## 4 Reasons Why Jesus Heals!

### 1.) It is God's nature to heal

**Exodus 15:26**

Jehovah Rapha - The Lord who heals you / The Lord your Physician

- \* Since it is His nature to heal, then you can expect healing from Him.
- \* God never changes.

**Malachi 3:6; Psalms 103:2-3**

### 2.) He is a compassionate God

**Matthew 9:35-36, Matthew 14:14; Matthew 20:34**

- \* God loves His creation and it breaks God's heart to see His people sick
- \* Compassion says "not only do I feel sorry for you, but desire to do something about it".

### 3.) Jesus came to destroy the works of the devil

**1 John 3:8**

- \* Sickness and disease are a part of the curse of sin.
- \* God sent His son, Jesus, to reverse the curse.
- \* The Devil is the author of sickness and disease.

**John 10:10**

### 4.) Healing is a sign to the unbeliever

**Mark 16:19-20; Matthew 4:23-24; Luke 9:1-2; Luke 10:9; Acts 8:4-7; Romans 15:18-19**

- \* When unbelievers see Jesus heal the sick, it helps them to believe in Him.

**John 2:23**

- \* When Jesus heals, it proves to the unbeliever that He also has the power to forgive sin.

**Mark 2:10-11**

**Conclusion:**

- Are you fully convinced that Jesus is our healer?

**Application:**

1. Study God's Word to better understand the nature of God.
2. Ask God to help you have a greater compassion for hurting people.
3. Stop thinking and believing that Christ want you to be sick.
4. Ask God to use you to heal the sick that they might believe in Him.
