

# Session 10:

## Ten Lies of the Devil Concerning Healing!

Numbers 13:1-2, 26-33

\* Like the ten spies, the Devil will try and get us to believe a false report so that we will not believe God.

### TEN LIES OF THE DEVIL CONCERNING HEALING:

**Lie #1 – God doesn't care about you.**

**Matthew 10:29-31**

**Lie #2 – Healing is not for today.**

\* The Devil wants you to believe that healing was only for the days of the Bible.

**Hebrews 13:8**

\* God's nature is to heal and His nature has not changed.

**Lie #3 – God's will is for some to be sick.**

\* The Devil wants you to believe that healing is not for everyone.

**Matthew 8:1-3**

\* Jesus is not only able to heal but He is willing to heal.

**Lie #4 – Sickness is brought on by God so that we will learn to trust Him.**

\* The Devil wants you to believe that God brings sickness and disease on His people to teach us lessons.

- If we believe that some sickness is from God, then we become confused about what is from God and what is not.

**James 1:16-17**

**Lie #5 – God punishes His children with sickness and disease.**

- If we are sick because of sin, it's because our sin opened us up to sickness and not because God punishes us with sickness.

\* God uses His Word to teach us and straighten us out when we sin.

#### **II Timothy 3:16-17**

**Lie #6 – Physical healing was not paid for by Christ at Calvary.**

\* Some teach that the only thing Jesus secured on Calvary was our salvation from sin.

#### **Matthew 8:16-17**

**Lie #7 – Sickness and disease is a normal way of living.**

#### **III John 2**

**Lie #8 – You have to wait until heaven to be healed.**

#### **John 10:10**

- Jesus wants us to experience abundant life even while on this earth.

**Lie #9 – You have no control over sickness and disease in your body.**

#### **Luke 9:1**

- We have been given power and authority over sickness and disease.

**Lie #10 – God would never use you to minister healing to the sick.**

#### **John 14:12**

\* God can work through any available vessel.
